Mining Claims

This is **NOT** a complete list, it is a list of claims We found related to research we were working on at the time.

Copy In Archives Y/N

Date	Place	Claim Name	Township	Section	Type	By Whom	Book	Page		Copy In Archives Y/N	ID
1850	Big Bend	Shields Gulch			Gold	James Shields born in 1826 in England from 1850 census Butte County	N/A	N/A	Mining claims were not formally recorded by the Records Office in Butte County until 1852. The practice of physically marking a claim per established criteria at four points and posting a notice on one corner was used before 1852. This information for this claim is based on the 1850 census. James Shields and the Lattimore's were both recorded as miners and their relative position in the census pages supports their close proximity as shown on later county maps marking the two mining sites.	N	
1850	Big Bend	Lattimore's Bar			Gold	Robert (born 1820) & William (born 1825) Lattimore, brothers from Pennsylvania from 1850 census Butte County. Wm Lattimore would later become Treasurer of Butte County. Robert Lattimore would be secretary for a nominating committee in 1853 at Bidwell Bar for the Whig Candidate.	N/A	N/A	Mining claims were not formally recorded by the Records Office in Butte County until 1852. The practice of physically marking a claim per established criteria at four points and posting a notice on one corner was used before 1852. This information for this claim is based on the 1850 census. James Shields and the Lattimores were both recorded as miners and their relative position in the census pages supports their close proximity as shown on later county maps marking the two mining sites.	N	
1850	Big Bend	Hough's Bar			Gold	Giles Hough, born in 1824 and Barton Hough born in 1832 are listed as miners from Indiana in the 1850 Butte County census. The site is listed on the 1862 map of Butte County, by 1877 the site on the map was called Whiskeytown. It appears the Hough brothers left the area before the 1860 census.	N/A	N/A	Mining claims were not formally recorded by the Records Office in Butte County until 1852. The practice of physically marking a claim per established criteria at four points and posting a notice on one corner was used before 1852. This information for this claim is based on the 1850 census and the 1862 map of Butte County.	N	
1850	Nelson Bar	Nelson Bar			Gold	Benjamin Nelson was born in 1825 in New York. He mined at Longs Bar in Sept 1850 and at (Nelson Gulch) Nelson Bar in Oct 1850. His partners in both places were Asa Wheeler and James White, both from Mass. It appears all three left California before 1852	N/A	N/A	Mining claims were not formally recorded by the Records Office in Butte County until 1852. The practice of physically marking a claim per established criteria at four points and posting a notice on one corner was used before 1852. This information for this claim is based on the 1850 census and the 1862 map of Butte County.	N	
1852.02.14	Rich Bar	Virginia Quartz Mining Company			Quartz	Levi Miles, Walter Miles, Wm Miles, John S Reed, Wm Hupey, C. Mittinger, E. Muray, S.B. Clark, M.M. Reeds, Johnson, S.D. Hayward, Jas Miner, J.S. Sore, R.H. Daning, Chs Smith, R. Thompson, A.M. Pherson, R Irvine, P Baily, J.W. Jones, S.W. Sibley, W.P. Lindley, Chs B. Hunt, George B. Sibley, W.B. Toby, Geo Sharp, W.P. Rosseter, H Mitchell, J. Bradlette, Lewis Hagen. (Note: One of the Miles brothers was a doctor, reference to a Dr Miles in text)	A	14-15	Rich Bar Feather River Feb 14, 1852 a meeting commenced at the above date on this river for the purpose of passing resolutions making ? ? to regulate the further operations of the Virginia Quartz Mining Company who have located thirty claims on a quartz lode or vein situated in the vicinity of a place known as the Volcano in a Northeasterly direction from Nelson Creek and near Rich Bar, Middle Feather River of which the following is the company's duly posted notice July 10, 1852.
