**James or Joseph Peairs.**

The following note comes to us from from Pluto, Monterey county, under date of Jan. 22d: "Some time during last month I was engaged to come to this place to take charge of a sick man named John Peairs, who was living alone on his ranch about five miles north of this place. About the first of the present month Mr. Peairs died, leaving me in charge of his place and effects. The deceased is known to have a brother living somewhere in your county named James or Joseph Peairs, and as the deceased left considerable property without making any provision therefor you will be doing a favor to all parties by making this matter public in the hope of discovering Mr. Peairs' whereabouts.

**FATAL ACCIDENT.**—On Saturday, the 13th instant, a man by the name of John Kernan was killed in Dana's mining claim, in Concow township, in this county, under the following circumstances: After dinner Kernan went to work in the claim as usual. A large stump stood a few feet from the bank, as he supposed on the bed rock. He went behind it and commenced work. After a little he found the stump moved toward him, and before he could escape he was caught by the stump and jammed against the bank in such a manner as to crush in the back of his head, and literally crush into a jelly his breast. The quicksand prevented him from making his escape, and the same treacherous substance moved the stump upon him. He was a man about 34 years of age, honest, upright, and greatly beloved by all who knew him. His untimely death casts a gloom over that vicinity. He was a native of New York.—[Oroville Mercury, May 18th.

**In Memoriam.**

To Welcome Lodge No. 101, I. O. G. T., Cherokee, Butte county, California;

Your committee appointed to draft resolutions of respect to the memory of our departed sister, Lillie M. E. Rapp, respectfully report the following:

We are taught in God's holy word, that he does not willingly afflict or grieve the children of men, and that He looks with pity upon the sorrows of those under His chastising hand.

In His wisdom, He has seen fit to visit us with trouble, and to bring distress upon the family of our worthy brother, Andrew Rapp, by removing from their midst, from the scenes of life, and from her opening sphere of usefulness, his esteemed daughter, sister Lillie M. E. Rapp. It is our heartfelt wish that this visitation of anguish may be sanctified to her grieving parents, and brothers and sisters, that they may be endued with fortitude and patience under their affliction, and with resignation to His blessed will, who has said, "blessed are they that mourn for they shall be comforted."

Resolved, That sincerely sympathizing with the family of our deceased and dearly loved sister, Lillie M. E. Rapp, in the time of their great affliction, and greatly mourning the loss from our lodge of one who was always quiet and kind in her manner, deeply interested in the welfare of our lodge, and who discharged the duties assigned her in a faithful and exemplary manner, we wear the usual badge of mourning for a period of twenty days, and that our lodge be draped in mourning for a period of thirty days.

Resolved, That a copy of these resolutions be presented to the grieved family of our deceased sister; that they be published in the OROVILLE MERCURY, and in the Weekly Rescue, and that they be spread upon the minutes of the lodge.
