Issue # 85

FIRE STATION NEWS

WORK DAY LAST SATURDAY was a complete success. The foundation and block wall is complete and ready for the dome structure.

The work day for this week will begin at 8:30 a.m. Saturday, Sept. 23 at the fire station site. One crew will set the plates in preparation for the structure. Another crew will then go to the Domes to prepare the panels for installation and transport them to the fire station.

Several of the volunteers are going deer hunting, so all non-hunters are urged to help with this important phase of the building.

CONCOW GRANGE YARD SALE

Concow Grange will be holding their Yard Sale on Saturday, October 7th at the Concow Grange Hall. If you would like to reserve table space or if you have items you would like to donate to the Grange for sale, please contact Lucille Morris at 533-0342. The Grange is dependent on functions such as these for almost their entire source of income; your support will be welcomed.

The kitchen will be run by the Ladies of the Grange. They will be serving Barbequed Beef sandwiches throughout the day.

CONCOW GRANGE MEETING

The next regular meeting of the Concow Grange will be on Wednesday, October 5th. There will be a potluck dinner at 6:30 p.m. The guest speaker will be Eunice Smith of the Butte Grange Federal Credit Union.

PARK HILL GROCERY

-522-2086-

8 a.m. to 7 p.m. Daily - WE ARE
OPEN SEVEN DAYS A WEEK.

"We carry a complete line of
your grocery needs, plus some
special items."

CONCOW STUDENT COUNCIL

Concow school announces that elections for the new officers will be held on Sept. 27th. The first meeting will be discussion of the Halloween Party, and a presentation to their sponsors, Mr. Harold Petersen and the Concow Parents Club.

CONCOW PARENTS CLUB

The next meeting of the Concow Parents Club will be held on October 9th at 10 a.m. at Concow School. All members past, present and future are urged to attend. They need your support and help more than ever this year. The Concow Parents Club will be planning the annual community Halloween Party at this meeting. This year the Paradise Recreation District will not be putting on the program as in years past.

OFFICIALS NEEDED

Basketball and volleyball officials are needed by the Paradise Recreation District for the upcoming season.

Adults with a general knowledge of officiating and an understanding of the games are urged to apply. Applicants for these positions are being accepted now through November 1, 1978. Interested persons can call the Recreation Center at 877-6211 or stop by the main office at 6626 Skyway. All applicants will be interviewed until the positions are filled.

COMMUNITY MEETING

There will be a Community meeting at Concow School on October 5th at 8 p.m.

We are not, as yet, certain of the entire agenda, but a definite item will be the Constitution and By-Laws drafted by the volunteer committee. They have been working on the formal aspects of the Community Association over the summer months and will present the finished results at this meeting.

We hope to have the finalized agenda by next week's issue.

PEARL ADLER

On Friday evening Mrs. Pearl Adler died in a Danville Convalescent Hospital. Mrs. Adler was a weekly subscriber to the GFE.

Her survivors include her son, James Langes, of Yankee Hill, a son, Ed Langes, and a daughter, Lynette Cavanaugh, of the Bay Area. She had 4 grandchildren and 4 great grandchildren.

Services were held in Danville on Monday.

WILDFLOWERS

By: Jay

One of the many colorful species of milkweed, Butterfly Weed, is a perennial plant whose orange blossoms color dry, open grasslands from New England to Arizona throughout the summer months. The like-colored concentric clustered blossoms of Orange Hawkweed also bloom from June to September in the fields and along roadsides of Northeastern United States.

The Monardh Butterfly, well-known in North America for its fall migratory habits when resting flocks may cover entire trees, is reputed to have a disagreeable taste and odor which seems to make birds avoid eating them. The Great Spangled Fritillary is of the "Brush Footed Butterfly" family, named for their tiny forelegs which are hairy and useless for walking.

RECIPE OF THE WEEK

By: Mary Hughes

Buttermilk Cake

2 cups sugar
1 cup shortening (cream well)
Add 4 eggs one at a time
Add alternately:
3 cups sifted flour
 $\frac{1}{2}$ tsp. soda
 $\frac{1}{4}$ tsp salt with
1 cup buttermilk
For flavoring add 1 tsp vanilla
Or juice of 2 oranges and $\frac{1}{2}$ lemon
Or $\frac{1}{2}$ cup cocoa and $\frac{1}{2}$ tsp. vanilla

Bake in greased, floured tube pan at 350 about 1 hour until top springs back when touched.

Broiled Icing

1 cup brown sugar
4 TBSP canned milk
1 stick margarine
 $\frac{1}{2}$ chopped pecans
 $\frac{1}{2}$ cup coconut

Mix and spread on loaf cake. Broil for several minutes until brown sugar is melted.

Our wisdom comes from our experience, and our experience comes from our foolishness.....Sacha Guitry

PASTOR'S CORNER

By Steve Lamkin: Little Church on the Mountain

"WHAT DOES IT MEAN TO BE BORN AGAIN?"

In John 3:3...Jesus said to Nicodemus, "I assure you, most solemnly I tell you, that unless a person is BORN AGAIN (anew, from above), he cannot ever see - know, be acquainted with (and experience) - the Kingdom of God." and He went on to say in verse 6, "What is born of (from) the flesh is flesh - of the physical is physical: and what is BORN OF THE SPIRIT IS SPIRIT."

Most of us are very familiar with the story of the angel and Mary in Luke 1:35, "Then the angel said to her, the Holy Spirit will come upon you, and the power of the Most High will overshadow you; and so the holy (pure, sinless) Thing which shall be born of you, will be called the Son of God."

John 1:12 says, "So as many as BELIEVED on His name, to them gave He the power to become the sons of God."

When the Holy Spirit of God COMES UPON you and OVERSHADOWS you... you are BIRTHED FROM ABOVE (Born Again) and become a child of God and as one having the ability to become a SON OF GOD.

Jesus said that, "No man cometh unto Me except My Father draw him." Lamkin's paraphrase, "NO MAN COMES TO JESUS AND ETERNAL LIFE EXCEPT HE IS BIRTHED FROM ABOVE----CONCEIVED INTO SONSHIP TO GOD BY THE HOLY SPIRIT."

ARE YOU BORN AGAIN?

CHURCH NEWS

There is a change in Bible Study.....Adult Bible Study is held WEDNESDAY night, 7 p.m. at Pastor Lamkin's house, and Youth Bible Study is held the same night, Wednesday, 7 p.m. at Pastor Bill's house. For information call 533-9697 or 533 3078.....(This is to facilitate youth and adult activities on the same night at the same time....next door to each other.

SINGING DUO RETURNS IN COMMAND PERFORMANCE: The ladies with the beautiful voices, calling themselves "LADY MIRROR" are returning to make a second appearance at Little Church on the Mountain this month.

This Sunday during the 11 a.m. Worship Service, held in the Community Room at Concow School, Linda Dotson and Judy Harris, both of Roseville, will be presenting a Praise Service of Contemporary Gospel Music.

This talented pair are members of First Southern Baptist Church of Fair Oaks and come equipped with taped, professional background music, under the supervision of Doug Harris, Judy's husband.

Music Minister, Kendall Thomas will be returning also this Sunday after spending the past two Sundays ministering in Churches in Oroville and Sacramento.

USING WAYSIDE PLANTS

By: Clare Rodriquez

BARBERRIES: Although fairly well eliminated throughout the West where wheat growing is important, isolated plants of the barberry are to be found along almost any country road in the Northeast. To the wheat grower the barberry is an enemy because it is a host plant of a fungoid wheat disease, but for those not engaged in farming, the barberry is a remarkably useful plant.

The barberry shrub can easily be identified by its drooping branches and egg-shaped red fruit, and when used as a specimen lawn plant it can be very beautiful.

There are records from the time of the Egyptians telling of the various uses of the barberry, especially of its medicinal use for liver complaints. The yellow stem of the plant produces a dye which is permanent, without the addition of mordanting materials. The slightly acid fruits which are so abundant in the fall have a prime culinary use in the making of spiced preserves. The juice in jelly making can be extracted without adding water. By cooking it very slightly, and then straining it, it makes a tart and distinctive jelly.

The fruits of the barberry are a great attraction to birds, especially the Cedar Waxwings which descend on the bushes in great numbers during their fall migration. It is a very valuable plant to have in any bird sanctuary.

POETRY CORNER

By: Cynthia, a GFE reader

FEEDING THE DUCKS

They swarm all around me
Talking in that strange language
That they use,

Gobbling up the bread
That is given to them
They feast as though I am never coming back.

Some of the brave ones even come
To take it from my hand
Although they don't know
Where the food begins and
Where the hand ends.

But I guess that
Is all in feeding the ducks.

GLIMPSES INTO THE PAST

Notes about the original area residents: The Californis grizzly bear weighed well over a ton. The California grizzly has long been extinct. The bear represented by the famous "Bear Dance", however, is the California black bear, a very special bear to the Indian people. They still celebrate the Bear Dance each year in Janesville, Ca. the first weekend of June. This is (traditionally) to celebrate the coming of a new year.

The Indians of our area, (Concow-Yankee Hill) burned the land each year, and limited the growth of the oak trees, so there were special areas where the oaks grew undisturbed with no burning, these were known as parklands to the Indians. The oaks really got a strong foothold in all areas after the coming of the white man.

John Bidwell organized several hunting parties each year to go on grizzly hunting expeditions. Generally these hunts would yield a kill of btween 2 to 6 bears. John Bidwell's Indians at his Chico rancheria were bitter enemies to the Indians of this area. Many of the people from here were taken to Bidwell's on the long march to Round Valley, and a great many of them were poisoned while there by the Bidwell Indians.

Most California tribes were by nature not warlike, but they all believed that they had the greatest possible weapon, spiritual power. The material weapons they possessed for warfare were quite crude until the white man introduced the rifle to them!

JAY'S POT POURRI

One day while playing a game of Triominos (similar to dominos) with Granddaughter Julie Michelle, the triple 5 tile reminded me of my birthdate 5-5-5 and other occurances that had dates which were multiples of or divisible by the number 5. I had 5 sisters. As a youngster our post office was at Empire, Ohio, Box 75. We moved to Los Angeles in 1937. From Ramona we came in 1950 from P.O. Box 100 to Yankee Hill, Box 244. Our 3 sons attended the school of higher learning in Chico, Ca. I had my first and only plane ride in the 5th month, May. Wanted 5 children but ended up with a family of 5. 100-----is that another number that may play a part in my life? It is divisible by 5-----Amen.

PERSONAL NOTES FROM GFE

Weekend guests of Alyce and Ray Hendricks were her niece and husband, Mr. and Mrs. Gene Harter of Wofford, Ca. Present guests of the Hendricks are Mr. and Mrs. Latel Fisher of Newcastle, Wyoming.

Anyone who profits from the experience of others probably writes biographies.....Franklin P. Jones

DID YOU KNOW?

By: Myrtle Langes

Dental floss is useful in sewing leather and sewing on buttons.
Colored toilet tissue is harmful to septic tanks because of the dye.

HELPING HAND FOR GFE

This week the paper was typed by Myra Wobbe, a resident of the Big Bend area. She will be volunteering her services from time to time to the GFE. The staff is very appreciative, especially the editor! Thank you, Myra, for a much needed break.
