GFE EXTENDS CONDOLENCES TO THOSE SURVIVORS OF PSA TRAGEDY

One of those lost on Monday's ill-fated flight was Garry Pommells of Citrus Heights, California. His survivors include wife Brenda (Giles), and daughters Sherri, Julie and Debra. He was on a business trip to San Diego.

Brenda Pommells attended Concow School and Oroville High School, she is the daughter of Mr. and Mrs. Ray Giles of Jordan Hill Road.

Also lost on Mondays flight was Richard Hight. Our condolences to his daughter Hillery and her family. Hillery graduated from Concow School last year and presently attends Oroville Union High School.

FIRE CAUSES HEAVY SMOKE DAMAGE TO ROCK HOUSE

Rock House owner, Bob Ausmus, states that clean up operations are continuing and will probably not be completed until Monday. He will announce an opening date in next week's issue of GFE.

The fire was apparently started by a cigarette left in an ash-tray. The only thing completely destroyed by fire was a booth, the rest of the damage was from smoke. Approximately \$5,000.00 worth of damage to be exact.

A passing Highway Patrolman spotted the fire and called it in. The units from Jarbo Gap and the Golden Feather Volunteers responded, with the units from Jarbo arriving within 10 minutes.

FIRE STATION NEWS

Many of our skilled craftsmen went deer hunting last Saturday, so we expected the fire station work to slow down considerably. But such was not the case. The non-hunters proved to be exceptionally skilled too, and after a few bumps and scratches, a production line was set up and all of the panels comprising the fire station dome structure were reinforced, reconditioned and transported to the fire station site.

The Golden Feather Volunteer Fire Company is grateful to the owners and management at the Cathedralite Domes for their cooperation and assistance, permitting the volunteers to use their facilities to perform the work accomplished. Without the use of their specialized power tools, many more days of hard work would be needed to complete the work which was done last Saturday.

Hopefully, next Saturday, September 30, the last day of the month, weather will permit assembly of the dome structure and all the community will see the results of much hard work by our dedicated volunteer workers.

Much work remains to be done however, and a standing invitation is extended to all who can help in this worthy project to participate whenever possible.

AGENDA FOR OCTOBER 5TH COMMUNITY MEETING

The agenda has been prepared by Chairman, Skip Clark. He will not be able to chair this meeting due to employment commitments, so the meeting will be chaired by Bob Norton for this month. Meeting will begin at 8 P.M. at Concow School. The agenda:

- (1) Discussion and possible ratification of the constitution and by-laws of the Golden Feather Community Association.
- (2) Update and new information on the proposed health clinic and area medical offices by Mrs. Bette Hayes.
- (3) Brief mention of the state legislature's wishes to eliminate one of the two fire trucks from the CDF station at Jarbo Gap.
- (4) Correspondence.

CORRECTION ON GRANGE MEETING

Concow Grange will hold the next regular meeting on October 4th, NOT October 5th, as stated in last week's issue. There will be a potluck dinner at 6:30 P.M., and a guest speaker will be on hand. Eunice Smith of the Butte Grange Federal Credit Union.

APPRECIATION TO GF VOLUNTEERS

Bob and Beverly Sutton of
Pinkston Canyon Road were
sincerely appreciative to the
efforts of the Golden Feather
Volunteers and good ole #
37 for the super-fast response
a couple of weeks ago.

Mr. Sutton was taken ill quite
suddenly, and the Suttons'
felt the efforts of the local
volunteers was superb. Mr.
Sutton had suffered a kidney
stone attack; he is home and
in good health now.

SCHOOL SITE COUNCIL

By: Debbie Ingvaldsen

The School Site Council met last Wednesday afternoon at Concow School. The SSC discussed proficiency standards. A student not meeting these standards will be given remediation, depending on subject area.

The budget was reviewed. There will be an 8% reduction. This will be finalized at the next meeting.

CONCOW 8TH GRADERS TO HOLD CAR WASH ON SATURDAY

On Saturday, September 30th, the 8th grade class at Concow School will hold a car wash in Oroville to raise money for the end-of-the-year trip which has become traditional for the graduating class.

The car wash will be held at Don Phelps Texaco Station on Oro Dam Boulevard, across from McDonalds. They will be washing cars from 8 A.M. to 4 P.M., if you have the opportunity, stop by, they will be happy to see you - especially if your car needs to be washed.

tsp. minced onion, and 3/4
tsp. seasoned salt.

JAY'S POT-POURRI

A P.S. to Pot-Pourri in issue #85, of September 22. I mentioned about the number five, how I found it as a multiple or divisor in dates, names and places occurring in my life. By chance while playing a game of Tri-ominos the 5-5-5 triggered the thinking.

I attended school from 7th grade through high school graduation in a town - Wellsville, Ohio. Next place of learning - Mount Sinai, New York City. Came to live in California - Los Angeles then to Yankee Hill. Names of friends and Families whose associations have touched me and influenced my life - Paolo - Darro David - Andre - Katie - Vicki - Julie - Hazel - Helen - Joyce - Peter - Steve - Alyce - Marie - Paula - Susan - Betty - Elice - Grace - Danny - Klare - Alice - Peggy - Carol - Ennis and Leota, others too.

Commercial arithmetic a favorite class in high school. As a freshman I was captain of our team where mental calculation was exercised. At the close of school year we were the winners. The prize or reward was a five (5) pound box of chocolates!

YANKEE HILL LADIES CLUB

The Yankee Hill Ladies Club will hold their next meeting on October 10th. Meeting will be held at the home of Jan Brown on Nelson Bar Road. This meeting ONLY will begin at 2:00 P.M.

CONCOW GRANGE YARD SALE

Don't forget to reserve table space if you plan to sell items at the Yard Sale on October 7th. If you need table space or if you have items to donate to the grange, call Lucille Morris at 533-0342.

The kitchen will be open throughout the day, and the ladies will be serving barbecued beef sandwiches.

COMMUNITY HALLOWEEN PARTY BEING PLANNED

The Halloween party held yearly at Concow School will be held on Halloween night this year. The Concow Parents Club with help from the Concow Student Council will be organizing and putting on the party this year, in place of the Paradise Recreation District.

The next meeting of the Concow Parents Club will be held on Monday, October 9th, at Concow School at 10 A.M. If you can help, or would like to join the parents in their efforts, be sure to attend this meeting. If you have questions concerning the parents activities with the Concow Parents Club, contact Concow School and they will put you in touch with one of the members.

PERSONAL NOTES FROM GFE

Vern & Ilee Durham, long time friends of Bill and Lu Miller, will be visiting with the Millers' this week. The Durhams' live in San Diego.

Mr. and Mrs. Gussoni, from San Francisco, are visiting Mrs. Gussoni's parents, Mr. and Mrs. James Langes of Yankee Hill. The Gussonis' are spending their vacation here.

Thank you to Judy Johnson for her contribution to the GFE efforts. We appreciate it.

Mr. and Mrs. Ed Sutton have returned to their home on Yankee Hill Road, after a week of fishing and vacationing on the Klamath River.

Lester Rose visited his grandparents, Mr. and Mrs. Morton Rose. Lester is on his way to Stanford University where he will join his brother, John, in studies there.

Mr. and Mrs. Karl Reithmaier visited Mrs. Reithmaier's grandparents, Mr. and Mrs. Morton Rose of Yankee Hill. While here, the Reithmaiers' celebrated their first wedding anniversary.

The community and neighbors would like to extend their sympathies to Mr. and Mrs. Van Vleck on the death of their son. The Van Vlecks live on Big Bend Road.

Bert Hollopeter is recovering at home on Kirby Creek Road. Bert underwent gall bladder surgery at Enloe Hospital in Chico. He is improving each day. The Hollopeters' would like to thank all of their friends and neighbors for all the help, and thoughtfulness extended while they were in Chico.

Candles were lit on birthday cakes recently for the following people: Marie Hopkins, Tiv Hunt, Alyce Hendricks, Clarice Mc Culloch, Julie and Lani Grieco, and a special surprise party made it a memorable event for Bob Sutton.

CONCOW LAKE

Logging operations on the Concow Road side of the lake are scheduled to begin October first, with logging to be completed by December. T.I.D. Spokesmen say there is some hold up as Elam Logging has not acquired enough timber fallers to start logging operations as yet.

Fishing is still allowed from the shore line, and is reported to be pretty good. Mr. Shultz has reported to T.I.D. that some good sized bass have been caught since the draining process has been started. The lake has gone down approximately 30 feet since draining was begun.

MYRTLE LANGES ISSUES PLEA TO PET OWNERS

Mrs. Langes states this is a particularly bad year for flea infestations, and now is the prime time. To properly rid your pet of fleas, it is necessary to contact your Veterinarian for the proper medicated shampoo and the spray. To properly rid your house of flea infestation, Mrs. Langes states you should close up your home and burn a Hartz "Bye-Bug" bomb. She says it takes about two hours.

Mrs. Langes asks that you please remember that fleas can make your pet miserable, and if bad enough, can make him sick.

WELCOME TO OUR COMMUNITY

GFE extends a welcome to Tom and Cheryl Shustack, and baby Tara. The Shustacks' moved here from Wisconsin, Tom is now employed at Cal Oak, his parents are Mr. and Mrs. Ed Rodriguez of Concow Road.

PASTORS CORNER

By: Rev. Steve Lamkin

"GOD WANTS YOU!"

Responding to some who question this column's presence in the GFE; it's here because God made a promise to even you....John 3;16 says...."For God so loved the WORLD, you see, He loves you too. And our God is a God of perserverance and patience....He's reaching out to YOU thru this column.

You say, "I don't need God"...maybe you don't but He wants you anyhow. II Peter 3; says, "The present heavens and earth by His word are being reserved for FIRE, kept for the day of JUDGEMENT and DESTRUCTION of UNGODLY MEN," (an ungodly man is a man without

God acting out of the natural mans sinful nature.) But in verse 9 of that same scripture, Peter says...."The Lord is not slow about his promise, as some count slowness, but is patient toward YOU, not wishing for any to perish but for all to come to repentance. (Repentance means: reversal of a decision...to change direction).

You still say you don't need God? Romans 3;23 says, "All have sinned and come short of the Glory of God". Romans 6:23 says, "The wages of sin is DEATH, (eternal spiritual death and separation from God), but the free gift of God is eternal life in Christ Jesus our Lord." Acts 2;38, "Repent and be baptized for the remission of sin and you shall receive" (Larkins paraphrase). **YOU DO NEED GOD.**

***** The following letter was received in answer to one of the columns of the Pastor's Corner, Issue #85. This letter was written by Jerry Morton, Big Bend Road:

This has to deal with the "Pastors Corner", on "Born Again".

It is not necessary to be born again to have God's spirit, produce it's fruitage. Gal 5;22-23, "The fruitage of the spirit is love, joy, peace, long suffering, kindness, goodness, faith, mildness, self-control. Against such things there is no law."

So you see there are two classes of people, (1) heavenly class, (2) earthly class. The heavenly class are born again of water and spirit and will be in heavenly Jerusalem (Heb. 12;22) NOT EARTHLY. (2) The earthly class is baptized like Jesus Christ was, but was adopted as his Sons. (Matt. 28;19).

After all the most high God did not create the earth for nothing. (Isa. 45;18). He made it to totter forever, (Ps. 104;5) - (Eccl. 1;4).

The earthly class will live forever on this earth (Ps. 37;9-11 & 29) (Proverbs 2:21,22). As Abraham, Jacob, Isaac, Noah were all lovers of God almighty, but did not know of a heavenly hope, just a earthly hope.

USING WAYSIDE PLANTS

By: Clare Rodriguez

Shagbark Hickory

One of the first historical facts that comes to mind in a growing child, is the name of Jackson, also known as "Old Hickory". Also, in reading about the early life of Lincoln, it tells of how he earned money felling hickory trees and splitting the rails to make fences.

Although the nuts are valued, the very toughness of it's wood makes it a very special tree, as there are many uses for such an enduring wood. Our early American fences were made of split hickory, as were many parts of wagons and the handles of tools. Also, in the early days before coal was commonly used, the hickory was the prime fuel of the early settlers, modern statistics show that a cord of hickory is almost equivalent to a ton of hard coal.

Best, but by no means least, is the value of the green wood of the hickory for smoking hams and bacon. It is sad to note that the hickory is gradually disappearing from our woods. The large ones already having been cut and the new ones finding it harder to get established. No one who has ever been hunting in the fall and has come upon a harvest of hickory nuts can ever deny its place near the top of the list of valuable American trees.

Editor's Note: We have received much favorable response to Clare's columns. The readers we have heard from have said that her columns are interesting and very well presented. We thank her for taking time to do them for us weekly, and we are sure she would like to hear your comments. You may send your notes and letters to Clare or anyone doing regular columns for the GFE c/o of the paper, and we will forward them on.
